[Singapore, March 13 2014](#): - Singapore based Sunright Limited (SGX: Sunright) today announced financial results for the half year ended 31 January 2014.

For Release After 5:06 p.m., March 13, 2014

Mr. Sam Lim, Executive Chairman & Chief Executive Officer of Sunright said:

“Comparing the first half results with the corresponding period of last year, the Group’s loss was reduced significantly from S\$3.4 million to S\$0.6 million.”

“Our customers continue to roll out advanced products, which require more sophisticated burn-in and testing technology, with thermal capability. Sunright is the leader in this field and is well-positioned to serve them.”

“They are reporting stronger projections, particularly in the auto segment whilst those in the PC market segment are seeing signs of stabilization. These signals are favorable for us as we continue to collaborate with them in bringing their new products and services to the market.”
