ANNOUNCEMENT

COMPLIANCE WITH THE 14-DAY RESTRICTION OF MOVEMENT ORDER IMPOSED BY THE GOVERNMENT OF MALAYSIA

The Board of Directors (“Board”) of Sunright Limited (the “Company”) wishes to announce that the Company’s Malaysian subsidiaries and associated group ¹ (collectively the “Malaysian Group”) are required to adhere to the Restriction of Movement Order (“RMO”) announced on 16 March 2020 by the government of Malaysia.

Under the RMO, a movement control has been implemented countrywide, starting from 18 March 2020 to 31 March 2020 to address the Covid-19 outbreak. This includes a shutdown of business premises except for those in essential services. The Malaysian Group have manufacturing operations in Johor, Selangor and Penang.

The “List of Products that are Part of the Supply Chain of Essential Goods Supply Chain for Exemption from the Restriction of Movement”, includes semiconductors. Nevertheless, the Malaysian Group could conduct its operations, to support its customers with approval from the authority under strict measures instituted by the Health Ministry.

The Board will monitor the evolving situation of RMO and the Covid-19 pandemic and will make further appropriate announcement when there are any material developments.
