

Welcome

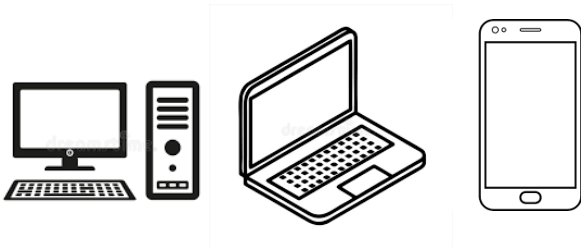

**Annual General Meeting
2022**

**Sam Lim
Executive Chairman &
CEO**

- The Imbalance Between Supply & Demand Led To Chip Shortages
- Orders For Equipment Were Received But Could Not Be Fulfilled Due To Component Shortages.

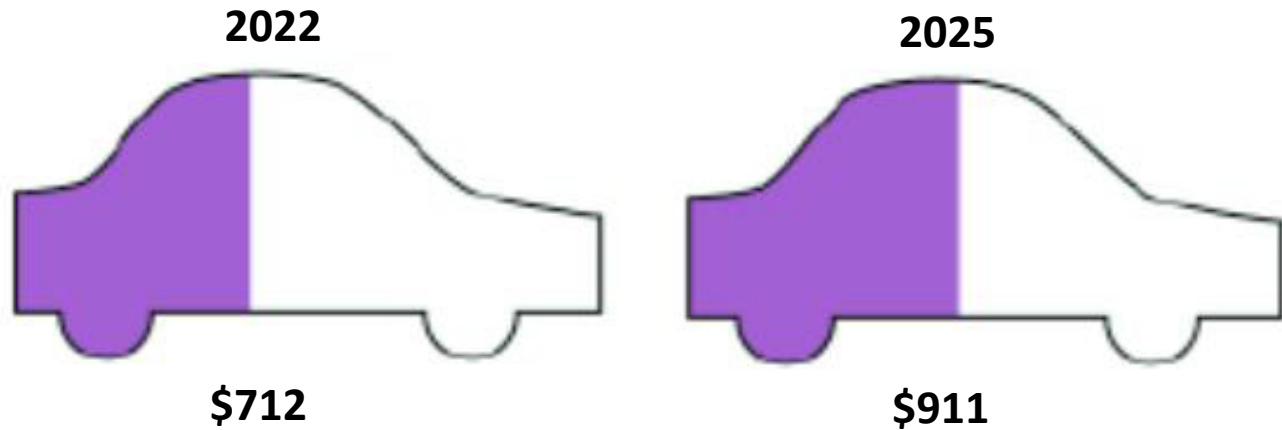

2023: A Switch In Market Trend

The Future is EV

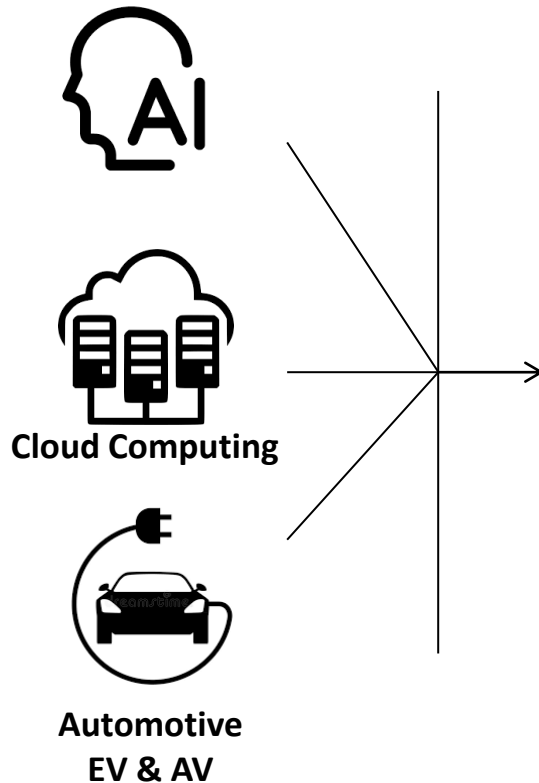

From Horsepower to Chip Power

Semiconductor Content In Car  **28%**

Fundamentals Remain Solid

Increasing Focus In:

- SLT
- Package Test & Burn-In
- Core Services

Thank You

And Stay Safe & Healthy

**Sam Lim
Executive Chairman &
CEO**
