

Sunright
Limited

Welcome

Sunright AGM 2024

Executive Chairman & CEO Sam Lim

22 Nov 2024

FY2024: Weathering A Prolonged Storm

Revenue Reached Another Low Point

- Sharp Decline in Sales from Mobile Devices and Desk Top Computing

- Automotive Sales Has Been Stagnant

FY2024: Measures Taken For Capital & Cost Efficiency

- **Realized Asset Monetization Program**
- **Realigned Human Capital**
- **Reviewed Shareholders Value Creation**
- **Reported Group Positive Earnings but Distributable Reserves Fall Short for Dividends**

FY2025 : Navigating Winter to Spring

Continuous Investments in Technology Innovation

- Increasing NPIs – AI Product Driving New Devices
- Advancing Testing Capabilities
- Promoting “Burn-in & Test” SLT Solutions

Challenges

- US-China Relation Trade Tensions
- Economic Volatility May Impact Customer Budgets and Purchasing Decisions

Thank You
