### **PROFIT GUIDANCE**

---

The Board of Directors of Sunright Limited (the “Company”) wishes to announce that following a preliminary assessment of the financial results of the Company and its subsidiaries (the “Group”) for the first half financial year ended 31 January 2025 (“1HFY2025”), the Group expects to report a loss.

Major semiconductor manufacturers are actively adjusting their inventory levels in response to ongoing market softness in the computing and automotive markets. This in turn led to softened business volumes.

The Group is in the process of finalising its unaudited results for the 1HFY2025. Further details of the Group’s performance will be disclosed when the Company announces its unaudited results for the 1HFY2025 in due course.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the shares of the Company. Shareholders and investors should consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the course of action that they should take before dealing in the shares of the Company.
